

SOS Support Our Students

Missouri NEA is offering the chance for MNEA members to sponsor a future teacher and potential union member to help aspiring educators begin their careers with the benefits of MNEA membership.

If you are interested in sponsoring a student, please complete the information below or contact Patrick Layden at patrick.layden@mnea.org.

YES, I'd like to sponsor a student in the Student-MNEA program. Below is my information and check.

By sponsoring an aspiring educator in the Student-MNEA program, you are helping him or her get off to a positive start in the state's leading professional organization for educators. The goal is to get 20 sponsors for each of our 10 main Student-MNEA chapters – that would be 200 new members. The sponsorship would be for brand new student members. As part of the sponsorship, you and the student will meet on occasion to visit about the student's career plans and share your insights and experience on the education profession. This is a great opportunity for you to mentor future educators and future union activists!

Your sponsorship would cover the MNEA and NEA portion of the student dues. You may sponsor multiple students. The cost is as follows:

- MNEA/NEA Student Dues — One Student \$2 + \$15 = \$17
- MNEA/NEA Student Dues — Two Students \$4 + \$30 = \$34
- MNEA/NEA Student Dues — Three Students \$6 + \$45 = \$51
- MNEA/NEA Student Dues — Four Students \$8 + \$60 = \$68

Name: _____
